## The Daylight Store

### Domestics Are Higher.

There is a marked advance in price on all cotton goods. The marking up of staple cotton fabrics has been continued the last week by manufacturers, who are impressed not only with the short supply of goods but also with the high price of cotton. We are putting on sale this morning some special values in Outings. These are goods that were bought early in the season at the old prices and we are giving you the benefit of our early purchase.

See Them in Our South Window.

### OUTING FLANNELS.

We have a very good value in Plain Outings. They come in the soft shades, such as light yellow, pink, light blue and pure white. Just the goods for children's wear, ladies' short skirts and night robes. Our special price, 9c per yard.

Our regular line of 10c Outings, in both light and dark colors, is larger than ever before. The combination of colors and finish gives many of them the appearance of all-wool goods. Colors fast. Make your selections while the line is at its best.

We have a full line of the Outing Embroideries, such as are used on robes and short skirts, in colors to combine with all shades.

### OUTING FLANNELS.

One lot of Heavy Twilled Outings, which are of exceptional worth. These are the Outings we sold so many of last season for men's shirts, children's and ladies' short undershirts, also for heavy night robes. Last season's price was 12 1/2c. Our price now, 10c per yard while they last.

One lot of Outings in light colors, last season's patterns. These are the regular 10c goods. We bought them under price and are giving them to you for 7 1/2c per yard. Only a small lot.

Another lot of Dark Outings. These are short lengths, from 10 to 15 yards in a piece, just as good quality as the full pieces, only underpriced—7 1/2c per yard.

### NEW NECKWEAR.

New Neckwear for the Fall season, just arrived. There is as good an assortment of new ideas as can be found in Vermont. We have taken pains to make it so. We use a whole display table in the best part of our store for these goods. Our values at 25c are the best we have ever shown.
